

Tartar Teen Talk

By DORIS POPOVICH

The Torrance High Homecoming has been changed from the date of the Beverly Hills game to the Leuzinger game on Nov. 13. This will give the senior class and the student council more time to plan a better event. An after-game dance will be held for alumni and students at the Civic Auditorium.

"Minor Miracle" the one-act play which is being presented to the fifth period classes, is really making quite a hit. The drama classes always present many fine plays throughout the year.

The Baldwin Park game honoring the fathers of the football players last week turned out a great success. The proud fathers seemed to enjoy every minute of the game (especially when their sons were in).

The high school PTA membership drive closed Friday without reaching its goal. Let's remind our parents again and if

Soroptimists To Open Drives For Research

A board meeting of the Torrance-Gardena Soroptimist Club last Thursday was the kickoff of a series of fund drives by the new ladies' service club to help find a cure for leukemia, the killer of little Sharon Hart, named the Soroptimascope by the club recently.

Meeting in the home of Mrs. Winona Ellis, president of the club, the board worked to set up a series of fund-raising campaigns to be carried out throughout the next few months. Members yesterday said the drives would include rummage sales, dances, and "anything else to raise a few dollars for the research."

Reporting at Thursday's meeting was Dr. Virginia Tyler, of Gardena, who has just visited the Leukemia Research Foundation of California in Beverly Hills in an effort to determine how the monies raised by the club can be used to accomplish the most against the disease.

The report by Dr. Tyler follows a meeting Tuesday in Gardena at which Dr. Philip Sturgeon, leukemia specialist at Children's Hospital in Los Angeles, described the known details of the disease and emphasized the importance of continuing research into its causes and cures. Action of the club to help finance leukemia research was spurred recently by the death of 10-year-old Sharon Hart, daughter of Mrs. Elizabeth Hart, of 1617 Arlington Ave.

'Kiss Me Kate' Chosen as Next South Bay Show

"Kiss Me Kate" smash Broadway musical comedy hit, will be the next production of the South Bay Civic Light Opera Association, which includes in its membership several local residents.

Melville Tully, director of the group, said that tentative production dates are in the week-end of January and the first week-end of February, 1954. Tully called for all singers, actors, dancers, stagehands and anyone interested in taking part in the production to report to tryouts Tuesday night at 7:30 in the small auditorium of the Redondo Union High School. The small auditorium is located next to the main auditorium of the school.

Experience is not necessary to become a member of the group. Anyone who can devote a few nights a week to helping stage production is welcome, Tully said. Every type of work, from playing a trumpet to pounding a nail and painting scenery, is involved in producing the show. The South Bay group is under the sponsorship of the Redondo Adult Education program. Their last show was "Bloomer Girl" which starred Dorothy Dallas, of Torrance.

Rear Window Pried Open As Burglar Steals \$65

Someone pried open a rear bedroom window, entered his home, and made off with about \$65, William Hamlett, of 16414 Chanera, told police this week. Hamlett said he had been away from his home for about a week.

Awards Assembly Slated for Today

By ABBRIENNE SIDWELL

Next Monday the PTA award assembly will be held in the auditorium during second and third periods. The movie, which was chosen by the student body, is "Frogman" which promises to be a terrific picture. The PTA leaders would like to thank all of your parents for making the drive such a successful one.

Many Narbonne girls who went to Eagle Rock High's play-

day last Wednesday are still talking about the super-duper time that was had by all the girls. "It was so different!" was the usual comment. The program was held in an outdoor amphitheater on a hill. Refreshments were served around a camp fire. Other schools represented besides Narbonne were Venice and San Fernando.

A small program is planned for the Senior GAA Induction Party next Wednesday, Nov. 4.

New lettergirls, B-10s, and new members will be initiated. Hot dogs and cokes are some of the refreshments being served. GAA members who will be eligible for their letters are urged by Carmen Ochoa, Lettergirls president, to turn in their signed applications for Lettergirls by tomorrow.

A trip to Clear Creek is being planned by the Lettergirls for sometime in January. Those who went last year still haven't

forgotten all the fun they had and are looking forward to going again. There won't be any trouble with getting more girls to go!

Sympathies are being extended to Roy Ruebel and family over his mother's death last week.

Many students from Narbonne excused to the new telephone exchange building last Friday. It proved to be very

Interesting. Hmmm! Those Narbonne Bees are certainly true to their name. They held an over-rated San Pedro squad to a 12-12 tie last Thursday on our field.

Two more weeks before those dreaded ten-week report cards come out!

This week, for the first time this semester, the newly-revised Class Campus Campaign goes into effect. If the campus has been found to be clean all week, school is dismissed at 2:23 on Fridays. But if the campus is found dirty one day of the

week, school is dismissed early, but not quite so early as if it were clean all week. And if the campus is found dirty all week, school is dismissed a few minutes later than regular time. So let's keep those papers picked up, so we can have a clear campus and get out early every Friday.

Laura Tolbert, Anett Graf, and Dot Nelson echoed about the wonderful time that they had Sunday afternoon horse-back riding.

SLOW GROWTH
It takes cork oak trees 20 years to produce usable bark.
